IMPACT WRENCH

ERI-16

ERI-17

Features ERI-16/17

Double molded Composite Motor Housing

produced from **Patented** Molding System

All made in Japan

provides **Ergonomic** Pistol Grip Handle

less Reaction Force to operator

realizing ideal **Lightweight**

Twin Hammer Mechanism

with **Oil Bath** Clutch

provides most **Durable** and **Reliable** hammering

eliminating Hammerlock failures

Captured Motor Liner

ensures **Stable** and **Maximum** power output.

Specifications

		ERI-16	ERI-17
Square Drive	inch (mm)	1/2 (12.7)	1/2 (12.7)
Net Weight	kg	1.47	2.1
Overall Length	mm	178	199
Overall Height	mm	188	198
Air Inlet	mm	PT 1/4	PT 1/4
Bolt Capacity	inch	16	16
Free Speed	mm	10,500	10,500
Air Consumption on Load at 0.6 Mpa	r.p.m.	0.42	0.51
Hose Size I.D.		8.5 (mm)	3/8 (inch)
Maximum Torque	Nm	450	Forward : 600 Reverse : 650
